Toys for Tots Is Counting On Us - Shop Now for Unwrapped Toys

For many years, Dunwoody Rotarians have been very generous in supporting local Marines in their Toys for Tots Drive. We want to make this the best year ever! So look for toys, bikes and games and bring them to the Holiday luncheon on December 2! With your generosity, we can make this holiday season special for needy local youth!

RFHA and Polio

RFHA Receives Funding Support to Boost Polio Eradication Efforts

The Rotary Action Group for Family Health and AIDS Prevention (RFHA) is honored to announce the award from the Bill & Melinda Gates Foundation for a two-year pilot program in the amount of \$3 million. This will support the roll out of the Rotary Family Health Day Program in a number of countries and will include messaging, advocacy, education and surveillance on Polio as part of our integrated Disease Prevention program at Community level. The focus will be to integrate Polio specific activities and vaccination into the Rotary Family Health Days, and to support expanding the programs into countries where these have not been held previously.

Editor's Note: This is particularly special to the Rotary Club of Dunwoody because of our own Marion Bunch, who started the Rotary Fellowship for Fighting AIDS (RFFA) that has become RFHA and led its efforts for many years to provide healthcare prevention and treatment services around the world.

Calling All Host Families and Volunteers for GRSP Leadership Weekend 2023

We are planning now for the 2023 GRSP Leadership Weekend - scheduled for February 10-12. A signature Dunwoody Rotary event for the last 20+ years, this weekend provides many opportunities to meet some special college students from around the world - here for a one-year cultural exchange as part of a program that is unique to Georgia. And you'll meet Rotarians from many of the clubs who help us host this weekend.

At the moment, we are looking for host families willing to provide bed, breakfast and a bit of transportation between Friday night and Sunday morning. We try to keep the students in groups of two to four, but we welcome your participation even if you can only take one student - or want to volunteer with some of the many weekend activities from a group service project to Friday night social events to Saturday night suppers, the Sunday morning Shark Tank competition, or helping with logistics during the weekend sessions.

Contact Jackie Cuthbert if you'd like to talk about the best ways for you to help with the leadership weekend. And watch for more about an upcoming planning meeting.
