President's Message

Roswell Rotary Does it Again!

Amy and I are just returning from our District Conference where we shared in fellowship with other likeminded Rotarians from District 6900 and celebrated another year of great accomplishments in making our world a better place to live. Roswell Rotary once again shined as we will bring home some new felt to hang up for Club of the Year! Congratulations to Lynne and her leadership and every Roswell Rotarian who made it all happen. Also, a special thanks to Chris and Tracy Archer who did a great job in the hospitality suite with great food, beverages and of course lots of fun dancing. We are a month into a new Rotary calendar year and award or no award, Roswell Rotary will continue to do what we do best, give back to our community and have fun doing it! Roswell Rotary Rocks!

Speaking of giving back, you don't want to miss this week's meeting! We will be hearing from our very own Talaya Parker about how Home Stretch is truly changing lives. Coach McFarlin will also be calling on some of his good friends who are professional baseball and football players to join us at our meeting and talking about their commitment to helping in our golf and tennis tournament. Some hall of fame players will be at our meeting and we ask that you are respectful of their time at our
